Four Books In One

1943

This year, 1943, we bid sad adieu to hundreds of Northern men, who put away their books and accepted the call to aid our country in its time of crisis.

1944

1944 saw Northern with barely two-hundred students, who tried and succeeded to live up to the high standards that had been set up by former O. N. U. students.

1945

In 1945 faculty and students alike sighed in relief for Northern had withstood the crisis and was beginning slowly to build up again in students and faculty.

1946

In 1946, O.N.U. made a rapid increase with over six-hundred students enrolled for spring quarter. At last, with the returned servicemen, Northern was getting back to normal.

The 1946 Northern

FOUR YEARS AT NORTHERN

This, our first yearbook since the war's effect was really felt at Ohio Northern, has been published to cover the full war period. To the staff of 1943 is credit due for the material covering that year, though limitation of space made it necessary to revise and reduce it.

The brevity with which the years 1944 and 1945 are represented is due to the fact that no pictures or records were kept during these years for the yearbook. We are happy that we can show for 1946 a gradual return to normal college life at Ohio Northern. The covers used were those intended for the 1943 book, but our aim is to show an overall four-year picture of the war years at O. N. U.

With this bit of explanation we present the 1946 Northern

ON BORROWED TIME

In 1943 the times were very precarious for the men on Northern's campus. Many of them were leaving every-day, and the others were waiting to be called. They lived on "borrowed time." From one day to the next they did not know how soon they would be leaving.

Fraternity men kissed their pin-mates good-bye, paid due respects to their professors, and accepted the call to the colors.

1943, THE WAR, NEW ACTIVITIES

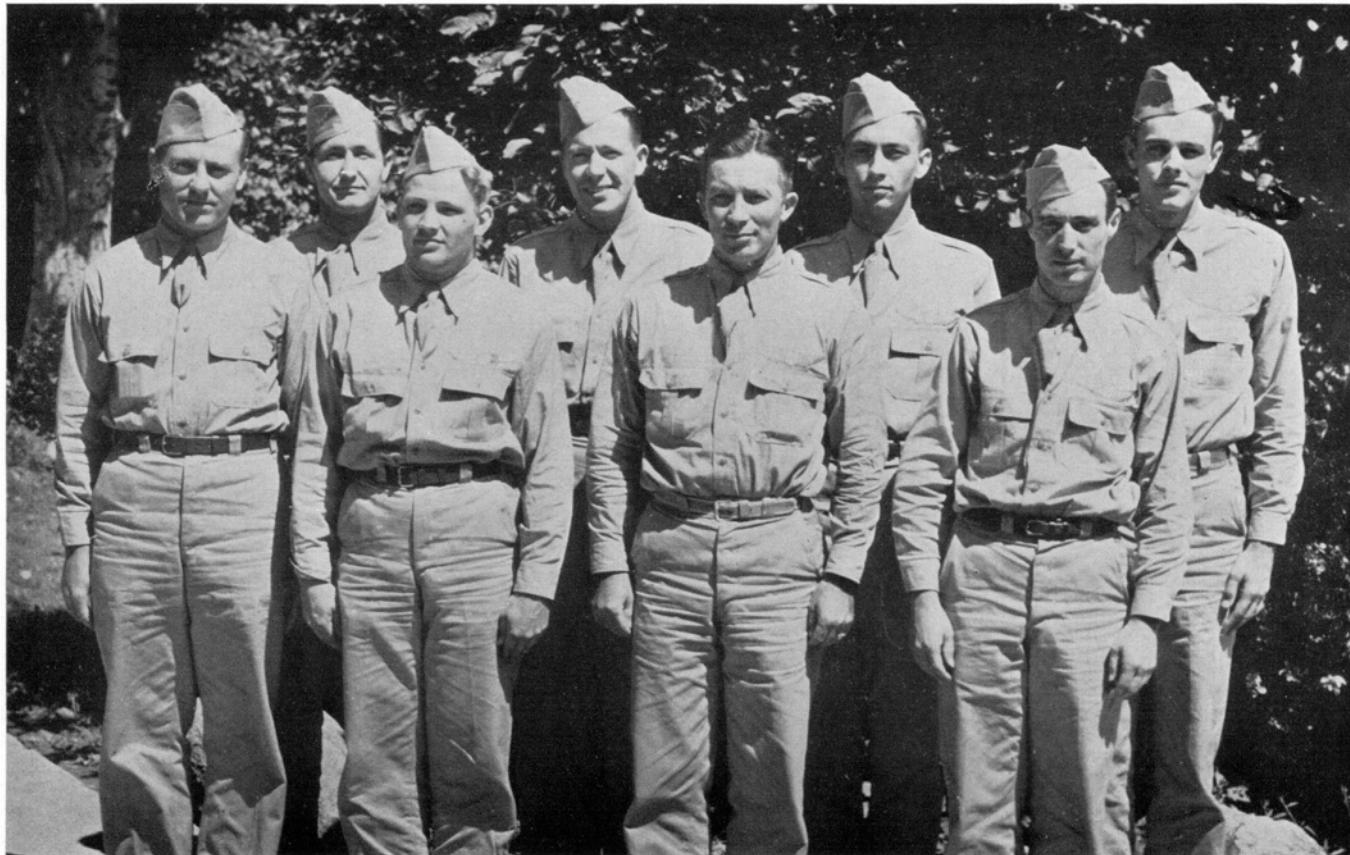

This year of war brought new activities to Northern.

Our Engineering faculty have been busier than ever organizing defense classes in surrounding towns. Even though regular classes were depleted by the draft and the calling of reserves, the professors found their time taken up by war work. A drafting course was opened to women here at Northern and many took advantage of it.

Members of Ohio Northern's first glider pilot basic training course were all volunteers.

BACK ROW: James R. O'Neil, Robert E. Dome, Lima; Floyd E. Porter, Cridersville, and Leslie R. Roby, Lima.

This year Northern has had various groups of service men on its campus. First came the glider pilots. The campus accepted them as a part of a new war program. Later the liaison pilots came here for their basic training. These sixteen men were trained to scout ahead and observe for the artillery. Last, but not least were the pilots being trained to instruct others in the Air Corps. These fellows spent about four months here and made themselves right at home.

It seems altogether correct to see uniforms here on our campus.

JUNIORS..

With most of its male members here by the grace of Uncle Sam, and with rapidly dwindling members, the Class of 1944 still shows promise of stepping into the footprints of the graduating class and carrying on the campus leadership next year in an entirely satisfactory way. Already they have proven themselves valuable members in campus social life.

Robert Smyth is president; assisted by Delbert Latta, vice-president; Ceil Kozelka, secretary; and William Hamilton, treasurer.

SOPHOMORES..

A hardy class this, of 1945! Despite inroads of the draft and the calling up of the army reserves, they managed to maintain a sizeable number on the campus. Contrary to expectations, they escaped the usual sophomore slump and were exceptionally active in campus life— both socially and scholastically.

Ralph Neiswander, president; Robert Cox, vice-president; Lila Mae Baransy, secretary-treasurer.

FRESHMEN..

The Class of 1946, although depleted in ranks and having many members on borrowed time, still managed to take in the annual round of Freshman activities: the Brother-Sister Bonfire, Hell Week for Frosh girls, and fraternity and sorority pledging. These future campus leaders insure the strength of Northern in the years to follow.

Bill Whitely, president; Richard Pettijohn, vice-president; Laura Jane Ash, secretary-treasurer.

"Who's Who Among Students in American Colleges and Universities" was created to give national recognition to outstanding students on every campus. The members are chosen by the faculty on the basis of scholarship, leadership, character, and potentialities of future usefulness to business and society.

Once listed, the student who is selected for this honor is included in the book until his graduation.

It is made up of musicians selected not only for their musical ability but also for character, cooperative ability, and interest in further development of the University Band. Membership is by election.

The purpose of the fraternity is to make the band better through advancement and cooperation.

CHOIR

The **A** Cappella Choir is one of the largest groups on the campus. A large percentage of the student body congregate in the Lehr Auditorium during the eighth period for choir practice. Many others join the choir for special performances such as The Messiah at Christmas and the Easter concert. The choir also sings in chapel occasionally. It is probably the most widely traveled of any group on the campus. During the last several years they have sung at such cities as New York, Chicago, Cleveland, Cincinnati, or some other large city. The Northern Choir is also popular in small cities and towns, not only near Ada but in distant places as well.

Mr. Clymer is director of the A Cappella Choir.

Until the draft and reserves cut deeply into the band, it was one of the largest and most popular extra-curricular activity available. Northern's band acted not only as a concert band but also as a marching band. At the football games it helped to support our team. It could be heard above the roar of the crowd at the basketball games.

The Northern band usually gives at least two concerts a year in Lehr Auditorium. Graduation, the draft, and reserves cut heavily into the band members in the spring, but Professor Watson and his charges carried on nobly.

All women students of the University automatically become members of the Association of Women Students upon entering the University. From the time school opens until it closes, the A. W. S. sponsors many affairs. In the fall, a pot-luck supper is given to install the new officers. A. W. S. sponsors the Freshman Hell Week and many leadership dinners throughout the year. This year the A. W. S. brought a WAAC to Northern to talk to the girls as a part of the Feminine Forum Program.

The A. W. S. this year held informal dances at the gym to furnish a place for couples to spend their time. The A. W. S. Formal was one of the outstanding dances of the year. In the spring they held a dessert to announce the new officers.

The Association has four governing bodies: executive, legislative, house council, and freshman advisers. President of A. W. S. was Toni Purpus; first vice-president, Pauline Kennedy; second vice-president, Virginia Duval; secretary, Sarah House; and treasurer, Evelyn Hardman.

Advisers: Dean Tolf and Dean McFadden.

HOUSE COUNCIL

The House Council is composed of the presidents of the various houses on the campus plus the A. W. S. Board and the class representatives.

Its principal duty is to correlate the various houses and to promote cooperation among these houses. Any house problems that come up are decided by the House Council.

The freshman representative is Mary Wagner.

The sophomore representative is Mary Jane Bolender.

The junior representative is Gertrude Philips.

The senior representative is Patricia Smallenbarger.

Northern Players is one of the most popular clubs on the campus. Those people who are here in school on time borrowed from the government find relaxation in dramatic activity. The plays which the group put on for the public are not their only activities. In their weekly meetings, Northern Players study makeup, lights, setting, and properties. Short programs follow the business meeting each week.

Northern Players was most active in the fall quarter when they presented "The Eve of St. Mark" by Maxwell Anderson and held a dance at the Y. M. C. A. rooms.

Northern Players is affiliated with the national honorary dramatic fraternity, Theta Alpha Phi, and is advised by Major Deming.

Freshman Players is a junior organization for those interested in dramatics.

Sigma Kappa Pi, honorary foreign language fraternity, was founded in 1930 for the purpose of honoring those who showed ability in French. Later all language fields on the campus were included. Not only must the student be superior in languages to be eligible, but he must also be above average in his other subjects. The organization is inactive because of the small number due to the high requirements. This year many of the eligible members were borrowed by Uncle Sam.

THE NORTHERN REVIEW

One of the most outstanding undertakings of the students at Northern is the Northern Review. It is published bi-monthly by those students interested in journalism. It presents an opportunity for students along the business line as well as news and features. This year the Review took charge of the Homecoming Queen election. Each week Reviews were sent to boys in the service.

The Review is a member of the Ohio College Newspaper Association. Professor Laurence Freeman is the adviser. Harry Wise acted as Business Manager. This year Jeanette Freeman was Editor.

N O R T H E R N

This year the Northern came into existence only after many trials and tribulations. There were many obstacles in the path of this publication. However, those in charge knew that the students wanted an annual and it was decided to give them one.

Many changes were made in the annual this year. Probably the most noticeable is the change from individual to group pictures. This was desirable because of photography supply shortages.

"On Borrowed Time" was the suitable theme for the Northern this year. We hope that those who are in the services as well as those still here on borrowed time will enjoy the annual. The adviser is Professor Laurence Freeman. Business Managers were Al Nave and Patty Frase. Editor was Irene Cole.

COACH MURPHY

Millard "Lefty" Murphy became Northern's coach this year. Harris Lamb returned to his Alma Mater, Coe College, Cedar Rapids, Iowa. "Lefty" graduated from Ohio Northern in 1938 after playing three years of high caliber football, at end. After receiving his Master's Degree from Columbia University, he went to Van Buren, where he coached football for two years before coming to Ada. He coached the Ada Bulldogs for a year before becoming coach at Northern. His first year was highly successful, Northern winning the first Ohio Conference championship since 1934. The basketball season was not so successful but in no way can it be blamed on Coach Murphy.

SUMMARY OF SEASON

Waging an apparently losing battle against a highly underrated Findlay college team, the Northern Bears annexed their first Ohio Conference victory of the season 6-0. Heck went through the center of the line for 52 yards and the game which was played under the lights at Findlay was ours.

In a tough non-conference game Northern outplayed Albion of Michigan there, but came home the losers, 6-0.

At Wittenberg, Northern again outplayed their opponents but could not take advantage of scoring opportunities and came home with only a 6-6 tie.

Before a large homecoming crowd the Polar Bears found themselves, and defeated a highly rated Capital team, 32-7. We smothered Capital for their first loss.

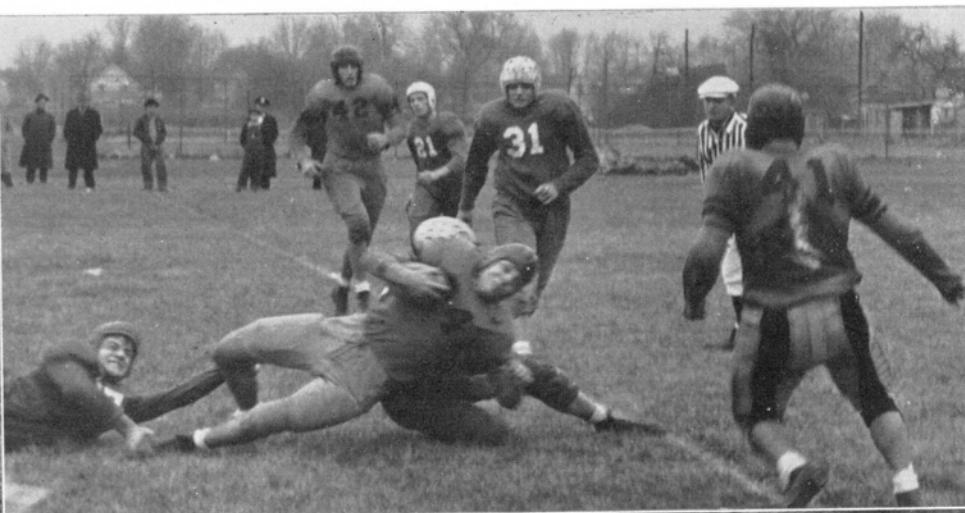

Northern made their highest score of the season when they defeated Bluffton 62-6. The power displayed by the Polar Bears amazed many who saw the game played under the lights at Kenton.

Ohio Northern moved into undisputed lead of the Ohio Conference when our passing attack surpassed that of Mt. Union and we won 28-0.

Before a Muskingum homecoming crowd the Polar Bears whitewashed the Muskies 22-0. We generally outplayed them and even in the rain connected with 60% of our passes.

In the final game of the season the Bears clawed the Princes of Heidelberg to claim undisputed first place in the Ohio Conference. The score was 15-0.

THE TEAM

By a decisive win over Heidelberg, the Polar Bears became undisputed champions of the Ohio Conference for the first time since 1934. Albion College of Michigan handed Northern her only defeat. This was not a conference game.

Coach Murphy went through the season with 29 men, 12 of whom were freshmen, after the war time demands had reduced the number of returning veterans. As the season progressed the team improved, showing marked gains in ability and spirit, despite many injuries. Substitutes came through when the chips were down.

Charles Heck, junior, left half, bore the brunt of the Bear attack with his accurate passing and punting. He threw six touchdown passes, besides scoring five himself by fast running. He was feared in the conference as a thrower of "stripes" and his quick kicks kept opponents at their own end of the field. His punting likewise was of high caliber. He scored 33 points on 5 touchdowns and 3 extra points.

Collins Stackhouse, junior, quarterback, was the Bears leading scorer with 43 points. He scored five touchdowns, kicked five extra points and a field goal with his educated toe.

Angelo Jannotti, all-conference guard, was a tower of strength in the line. He was continually messing up the opponent's play. In each game, he got credit for the majority of the tackles.

These are not the only men who did good work but theirs is outstanding. The Bears scored 109 points in conference games while holding their opponents to 13 points. They were never scored on more than once by any team. Against all opposition they scored 171 points to 25 for the best defensive-offensive records in years.

BASKETBALL RESUME

In an overtime thriller, the Bears defeated the Student Princes of Heidelberg. With a 32-16 halftime lead, the Bears went to pieces and saw the score narrow to a 44-44 deadlock, at the end of the regular playing time. In the waning seconds of the overtime, Widner sank a fielder to win 49-48.

On January 9th, the Bears fell before the state leading Falcons of Bowling Green by a score of 70-47. The game featured Sid Otten, six foot eleven inch center and Wyndal Gray the states' leading scorer.

In the grab and run affair with Ashland, the Bears had difficulty in finding the basket throughout the first quarter. At the end of the half Northern lead 43-41 and won 71-53.

Northern again lost to Bowling Green, 49-27 when their ball-freezing tactics proved useless. Wyndal Gray and Sid Otten continued to carry away most of the honors.

The game with the Big Red of Granville found the Bears running themselves ragged trying to out maneuver the tall Denison quintet. The Bears lead all the way through the first half but fell apart before the avalanche led by Widemann and McGinnis, each of whom scored 21 points. Joe Hurley led for Northern with 18 points.

The Bears swamped the Beavers of Bluffton 80-55 at Bluffton in a non-conference tilt that proved to be a free scoring brawl. The Bears held the lead all the way with a half-time score of

33-19. Ten men figured in the scoring as a total of 35 two pointers were scored.

Northern lost in a second league game with Heidelberg when they took revenge for the overtime loss suffered in a previous engagement. The game was close all the way with the Princes winning 54-46.

In the next engagement, Northern won a close one from Findlay, 72-68 at Findlay.

Capital took Northern over the barrel to the tune of 53-43.

At Springfield, the Bears fell before an avalanche of baskets to be the victims of the highest score ever chalked up by a Wittenberg team. The Lutherans, taking a 48-30 half time lead, were never challenged by the Bears, and won 88-59.

In a game at Taft Gym, the Bears downed Capital to even an earlier loss. Northern's victory 64-55 knocked the Capital team out of the running for conference honors.

The Bears led the Eagles of Ashland all the way and won 67-43. Eight Northern men shared in the scoring.

The squad from Camp Perry was an easy team for Northern, even with the famous Bob Gerber in uniform. Gerber could not get the cooperation of his teammates to help him break through Northern's tight defense. We won 66-36.

In the final game of the season, Northern defeated the Findlay Oilers 64-57.. The lead changed many times throughout the game but Northern's aggressiveness finally paid off.

We Are At War! – 1944-45

By this time the allied forces were emerging from the dark days of the beginning of the war and the time of the end was being predicted by various authorities. However, these two years were the most difficult for those remaining at Northern. Students had gone to war or to work, the faculty had greatly diminished, and college activities were at a minimum.

However, the students, as well as faculty that remained, did not lose courage. With confidence that a better future was the inevitable result of present difficulties, they worked together to solve the common problem.

Through the following pages we have tried to show, as realistically as possible in a backward resume, the breadth of Northern life in these years.

DRAMATICS

NORTHERN PLAYERS

Northern's dramatic organization was very active this year. In the fall was presented "Murder Will Out" by a cast which included Rosemary Hussey, Pauline Kennedy, Lois Perry, Eilene MacElheny, Jean Thomas, and Goldie Bosserman. On February 11, 1944, "Brief Music" was presented and on March 28, "Bakers Dozen" with the case of Rosemary Hussey, Lois Perry, and Edwin Ingle was also given. It has been the custom in the past for Northern players to present three plays and the organization was proud to be able to carry on the tradition in spite of the limited student body. All three plays were given under the capable direction of Major Cliff Deming.

"NINE GIRLS"

In addition to the dramatic society's productions, "Nine Girls," a mystery comedy was presented by the Theta Phi Delta Girls. This play had a run on Broadway and was scheduled to be made into a movie. Kelly Danford directed the production.

R. O. Clymer, Director

In this the year during which the war's effect was most keenly felt at Northern, few organizations or groups were representing the University afield. The choir was one of these. Because of transportation difficulties, it was not possible to make extended trips, but many concerts were sung at nearby schools and churches that could be reached on the limited gasoline supplies.

Under the capable and inspiring leadership of the director, Professor R. O. Clymer, and after a great deal of patient hard work on the part of the members, a singing group was developed that compared favorably with the famous O.N.U choirs of pre-war days.

The choir took part in the singing of the "Messiah" at Christmas. A spring concert was given, as a part of Northern's recognition of National Music Week, in Alumni hall and the choir took part in the graduation exercises in the latter part of May.

B E A U T Y R E I G N S

Mary Jo Bremyer, Queen

Queen of the Engineers Ball, an annual exclusive affair, was Mary Jo Bremyer, member of Theta Phi Delta Sorority. A wise choice was made by the Engineers in crowning Mary Jo, Queen of the annual Engineers Week celebration.

HOMECOMING QUEEN

Homecoming festivities, though abbreviated somewhat this year, did not lack for beauty. Miss Evelyn Hardman T.K.K. candidate, was chosen Homecoming Queen by the student body. Her spirit and enthusiasm added much to the homecoming atmosphere.

The A.W.S. activities were more important on the campus during these war years than at any previous time. With most of the men gone, social activities were largely left to this organization to promote. Under the enthusiastic leadership of the above officers and the direction of Mrs. McFadden, Dean of Women, a complete program of women's activities was held. Freshman Hell Week, leadership dinners, Christmas dance, Feminine Forum, and the spring dance were among the highlights of the year.

The homecoming queen has always stood out, but she was especially distinctive this year when Tau Kappa Kappa's Evelyn Hardman took the honor. The biggest event of the year was our annual Valentine dance, the "Sweetheart Ball," held at the Terrace. We regretted leaving our old home on South Main with its rotting timbers and mold-encrusted walls, but now,

happily settled in our new house on South Johnson, we are kept busy with our homework and campus activities. In the spring we honored our graduating seniors with a delicious steak-roast at the park. We wound up a very successful year Commencement Day with open house and an alumnae luncheon.

The Women's Athletic Association began their year with the annual Award's Banquet held in May at the Arbogast Hotel.

Various events of the year were a Scavenger Hunt to welcome the new freshmen; the volleyball tournament with the seniors victorious; the sophomores winning the basketball tournament; and the Theta Phi Delta Sorority winning the All-Sports Trophy for the second consecutive year.

During the pre-Christmas week the annual Ave Maria was presented. It was directed by Mrs. Rhea Murphy with Helen Spar, Madonna Jean Thomas, George Edwards, Mary Jo Bremyer, and Pauline Ken-

nedy were the angels.

Spring quarter we had Minor Sports Night, a weiner roast, and in May the final event of the year was the Awards' Banquet.

As with all other campus activities, there were very few men's sports for the year 1943-44.

At Homecoming the Kappa Psi's and Delta Sig's fought a hard football battle with the Delta Sig's reigning as Champs.

Our basketball team played various non-conference games under the coaching of Millard "Lefty" Murphy. When he left for the service he was replaced by A. C. Burcky, coach at Bluffton College.

This year has been the most difficult for this fraternity. Men on the campus were very conspicuous by their absence. We were able to keep our house open throughout however. A few men began to return from service thus helping to keep the chapter active.

TAU KAPPA KAPPA

The Tau Kappa Kappas came through with the honors again this year when Virginia St. Louis was chosen homecoming queen. The most elaborate event of the year was our alumnae dinner held at the sorority house to which our alumni came from far and wide to talk over old times. Our social life this year featured house dances and small informal parties. We closed the year with an alumnae tea on Commencement Day.

Professor R. O. Clymer, Director

The fact that the choir was a great deal larger this year than during the previous year speaks well for the fine work of the director. Also a very gradual return to normal enrollment has begun and the choir is quick to show it. Being the only organization representing Ohio Northern to the public, increased interest and enthusiasm was shown in its success. Once again traveling as far as possible under restricted travel conditions the choir sang many times before appreciative groups in schools and churches.

This year as in the past the choir along with the local choral society gave an impressive rendition of the "Messiah" to a large audience in alumni hall. In recognition of National Music Week, the O.N.U. choir gave a spring concert in Alumni Hall. At graduation late in May, the choir made its last appearance for 1945.

C A M P U S L E A D E R S

While the student body of Ohio Northern was greatly depleted during this year, as many of the organizations were kept active as possible. The result of the spring elections in which officers for next year were chosen showed that Lucille Bushong was chosen to head the Women's Athletic Association, Kay Downing the Association of Women Students, and Russell Leuthold the newly organized Student Christian Association. Along with these responsibilities various other offices were held by these busy students. Miss Bushong is also secretary of the O.N.U. Student Cooperative, Treasurer of S.C.A., and vice-president of A.W.S. In addition to holding the important office of president of A.W.S., Miss Downing is secretary of the Senior class and is active in sorority activities. Mr. Leuthold serves as president of the O.N.U. Council of Student Government which was organized this winter quarter and also of the O.N.U. Student Cooperative dining club as well as the S.C.A. presidency.

HOME COMING QUEEN

(L. to R.) : Kay Downing, V. St. Louis, Queen, Ruth MacDonald, Miriam Lutz.

Although there is a shortage of students on the campus this year, there is not a shortage of beauty. At the Homecoming football game between the Delta Sigs and a team made up of Kappa Psi's and Independents Miss Virginia St. Louis, TKK, Ruled as queen. Chosen to be their queen by the students, Miss St. Louis with her court, Kay Downing, Theta, Ruth MacDonald, Independent, and Miriam Lutz, Phi Chi, made the homecoming celebration on that beautiful fall afternoon complete, and for a while the old time spirit was evident at O.N.U. The queen was presented a football with all the players names inscribed on it.

Miss St. Louis also reigned queen of the Homecoming dance held in Taft gym in the evening after the annual alumni banquet.

Delta Sigma Phi

This year as in 1944, Northern did not have a regular varsity football schedule.

However, in answer to a challenge by the Delta Sigma Phi Fraternity to a football game, a Kappa Psi-Independent team met them on the Athletic Field as a part of Northern's annual homecoming—Oct. 19. Though neither team had extensive training or preparation, a hard-fought game was played, the Delta Sigs emerging victorious. The final score was 26-0 — but the Kappa Psi-Independent team claimed the score did not tell the whole story.

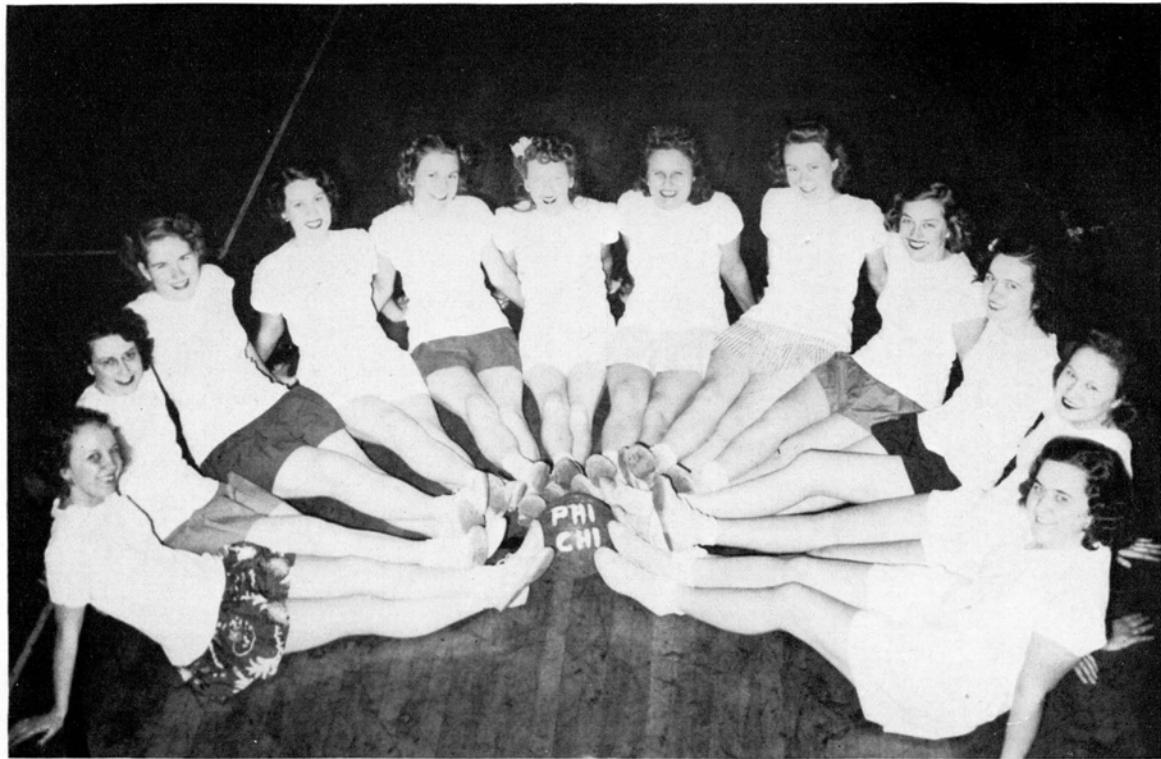

Reverend Lee M. Moore and Coach Clyde Lamb kindly donated their services as referee and umpire.

PHI CHI BASKETBALL CHAMPS

Our calendar for the year 1944-45 yielded very little activities for the women of the campus. To welcome to the campus the new freshmen and as a get-to-gether for the old members of the Women's Athletic Association a treasure hunt with a weiner roast afterwards was held in September.

In January the intra-mural basketball games were played. The winner of the class games was the Freshman team from Turner Hall. The games between the sorority houses were won by the Phi Chi Sorority, captained by Jean Evans and Miriam Lutz.

In March, following a pot-luck supper held in the Little Gym, the girls' on the campus participated in the annual Minor Sport's Tournament.

The Awards' Banquet, held in May at the Little Gym, was the final event of the Sports' calendar year.

With the war taking away so many of our men, it was not possible for Northern to have a varsity basketball team.

In the winter quarter, however with the return of a few ex-servicemen, a team of Northern men entered an Independent League, under the direction of Reverend Lee M. Moore of Ada. The games were played at the Ada Armory on Wednesday nights.

The team was sponsored by the University and numerals were awarded to the players. Bill Peterson was captain and also coach.

As usual at Northern, the team had a successful season, losing only one game during the season, and that to the league champions.

Elected by the student body to reign Queen of May at Ohio Northern was Miss Mary Jo Bremyer, the senior candidate. Surrounded by her court, on the stage of Lehr auditorium, the floral crown was placed upon the pretty Queen by the president of the Student Council.

Miss Bremyer ruled over the May Day Dance which was held in the evening, culminating a busy day of activities on the campus.

May Day Clean-up

A PART OF THE CLEAN-UP GANG!

Something new was added to campus activities this year. Under the direction of a faculty committee and the Student Council a general campus clean-up was conducted. Students took time out from their classes and, as a part of May Day celebration, transplanted shrubbery, trimmed sidewalks, replaced broken sidewalks, painted doors and lamp posts, and did many other odd jobs around the University. At noon a picnic dinner was served by the faculty at the Terrace followed by a ball game in the early afternoon, and May Day activities in the late afternoon and the dance in the evening.

We Return to Normal

Reopening of fraternities, extra chairs in classrooms, reappearance of various campus organizations, participation in Ohio Conference athletics, crowded hallways on registration and chapel days, students flooding out of buildings between classes—all these point to the return to normal college life at Northern. We hope this section of our annual will reflect this situation. Since the classes were as yet not organized, class pictures are not complete but only representative.

The old time homecoming spirit was in full swing at Northern as Miss Gretchen Baughn, Tau Kappa Kappa, of Jeffersonville, Ohio was crowned annual homecoming queen. Unusual interest was attached to this usually festive occasion as the famed Major Don Gentile, "one man air force" of Piqua, Ohio placed the floral crown upon the pretty Queen. With Miss Baughn and Major Gentile at the crowning were her attendants, Miss Kay Downing, Theta, Miss Lucille Bushong, Independent, and Marjorie Jo Brown, Phi Chi. The afternoon was made complete by the burial of Bluffton on the Delta Sig lawn after that team lost to Ohio Northern on the gridiron for the second straight time 21 to 0. After the annual alumni banquet in Taft gym, students and alumni, as well, spent the rest of the day dancing to the music of the Findlay all girl's orchestra.

We love to express our feelings in more
picturesque fashion than plain prose, and
so . . .

I'm the typical Tau Kappa girl . . .
With blonde, brunette, and redhead curl . . .
We always have out our welcome mat
Which lies at the door to welcome us back.
Juanita has glamour, Martha campaigns,
Audrey has humor, and Gretchen reigns.

Georgia has talent, Doris has charm . . .
Jean sings Arias, Ginny sets alarms
Becky received her gold band . . .
And Jerry worships her diamonded hand.
Pat uses air mail when writing to the Yanks,
Mary Jane plays homage to science
And Mary Ann Plays pranks.
That's all of us and so we repeat
The TAU KAPPA KAPPAS CAN'T BE
BEAT!

A popular place for students to eat is the Student Cooperative at the Terrace. Operated in true cooperative style it is student owned and managed. By payment of an "investment" fee one becomes a voting member and has a voice in the operation of the restaurant. At the end of each quarter any money left in the treasury from the regular price of the meals is returned to the members. Thus there is at last one place at Ohio Northern where students can eat for the amount of the cost of the food.

A W S

The Association of Women Students is composed of all the women on the campus. Each woman automatically becomes a member upon entering the University. The A.W.S. board is the executive board of this association and acts as a legislative group. This year the A.W.S. conducted Freshmen initiation in the fall, installation and leadership dinners, tea for the Federated Women's Clubs, sponsored the Starlight Christmas formal dance and the Ava Maria chapel during the same season. It also conducted various feminine forums during the year and Senior week in May.

The Ohio Northern University Council of Student Government was organized in the Spring of 1945 with the aid of Dr. McClure. Its purpose is "to promote fellowship and scholarship, to work cooperatively for the betterment of the University, and to create a united campus spirit for the social, educational, and spiritual advancement of all."

Under the guidance of Dr. Binkley, who was the advisor at that time, the council

finished a successful year as a student organization. In 1946 with a new advisor and officers, it continued to function and branched out into many activities in which all Northern students, regardless of affiliations, are vitally interested. All sororities and fraternities, as well as independent groups, are represented in this body and it is here that the common interests of all are advanced.

A sure sign of back to normal times is an increased interest in Northern Players. Its meetings held weekly at the Terrace were well attended. Local talent was here shown by the varied informal programs that were presented by members of the group. Make up demonstrations and drama talks held the keen interest of would be actors and actresses. The height of achievement for the year was reached on March 19 when the Sidney Howard production, The Silver Cord, was presented to a large and appreciative audience.

NU THETA KAPPA

For Thirty-two years Nu Theta Kappa has been a source of inspiration and recognition in the College of Engineering.

Only outstanding Engineering Students may be elected to this local honorary Fraternity.

During the war the Nu Theta Kappa was inactive. This year it reopened when brothers, formerly in the service, returned to the campus. Returned brothers are: Earl Brush, Robert Smyth, Paul Huddle, Wade Huber, and Richard Recker.

Weekly meetings are held, the purpose being to promote better forensic ability among the members. The meetings are presided over by a toastmaster who presents two member speakers. At the conclusion of the speeches, each member of the organization offers his constructive criticism and comment.

B A N D

The orange and black of Ohio Northern's band is once more a familiar sight on the campus of O.N.U. After a two year absence it is indeed a welcome sound to hear the band rehearsing on the Lehr stage at noons. Under the capable direction of Prof. Roider the band presented its first post-war concert and also took part in a combined concert with the choir in recognition of national music week. Welcome also was the band at Northern's basketball games and the music afterward for dancing in the little gym was much appreciated.

One leading organization that remained active on the campus throughout the war in spite of depleted men's voices was the University choir. Under the leadership of the new director, Prof. Karl Roider, many fine concerts were given. Although the extended trips, which had to be dropped because of travel restrictions during the war, have not yet been resumed, the group has sung at various cities within reach by one evening auto travel. In addition to the engagements away from Northern various concerts were given. Included in these are the "Messiah" at Christmas, the Easter festival and the combined program with the band in recognition of National Music Week.

The ministerial association of Ohio Northern is an organization of all the ministerial students on the campus. Weekly meetings are held on Friday during the noon hour and the various problems pertaining to the ministry are here discussed under the leadership of the advisors, Rev. Tinsler and Dr. Potter. At various times outside speakers are called in to speak to the association and often chapel speakers are invited to have lunch with this group and to give it the benefit of their experiences.

STUDENT CHRISTIAN ASSOCIATION

Because of the fact that there were so few men on the campus, the Y.M.C.A. and the Y.W.C.A. were combined this year into a Student Christian Association. Affiliation with both the state and national associations of Y.M.C.A. and Y.W.C.A. have been continued and it has been our goal to combine the work on the campus. The S.C.A. had charge of activities during Freshman week and conducted a drive for the World Student Service Fund to aid students in other lands where the need was greatly increased by the war. Regular meetings, program and devotional, are held in the "Y" room of Alumni Hall twice monthly, cabinet meetings being held on alternate Wednesday evenings. The S.C.A. also had charge of several chapel programs.

VETERANS ORGANIZATION

Early in the fall quarter a meeting was called of all the veterans on the campus. Officers were elected and the group organized as one of the strong and influential groups at Ohio Northern. The officers then met and drew up a constitution which was accepted by the group and has become the basis for that organization here. Contact has been made with similar organizations on other college campuses and with state organizations. As more veterans came to the campus the group grew in size so that the below picture is only representative of them. Veterans at Northern are assured a sympathetic organization to consider their problems.

The Student Chapter of the American Society of Civil Engineers is one of the organizations on the campus of which little is known by the majority of the student body and faculty. We are bound very close to the National Organization.

Every other Monday night our meetings are held in the Hill Building. Films from the National are shown on Civil Engineering subjects. Speakers often come in at the invitation of the chapter.

American Society of Mechanical Engineers

The A.S.M.E. is represented on the Northern Campus by a student chapter. Established in 1920, the function of this chapter has as its objective the promotion of mechanical engineering practices on the student level, just as the Senior society has this objective on the professional level.

At meetings held semi-monthly, papers are presented and discussed. The culmination of this years activities will come in June, when the student chapter will send a delegation to represent it at a convention held in Detroit. While there, an inspection tour will be made through the Plymouth Motors plant.

The Woman's Athletic Association had a very busy year. Besides the various intra-mural sports, a basketball game with Heidelberg, minor sports night, a theater party, and several play days highlighted the year. At the annual awards banquet on May 2, Joe Sidey, Lucile Bushong and Betty Mae Watters received sweaters, while letters were awarded to Faye Moore, Georgia Edwards, Jean Thomas, Jo Brown, Marge Stedcke, Jane Leifeld, Arline Rose, Deane Ritter, Mary A. Spar, Jackie Simpson, Millie Motter, and Rosemary Hinds.

COACHES

Mr. Clyde Lamb

Mr. Clyde Lamb, returning after a one year leave of absence, is head of the athletic department. Along with a full schedule in this position, he also was head coach of the football team.

Members of the team, fans, and the athletic department are very grateful to Rev. Lee M. Moore for taking time out from his various activities to assist in coaching the football team. It was largely due to the fact that he was willing and able to be in charge of practice sessions that could not be attended by Mr. Lamb that football was made possible at Northern this year.

Also a welcome addition to the coaching department this year was Jack Guy. Under his capable direction the first post war basketball team enjoyed a successful season.

CHEERLEADERS

LEFT TO RIGHT: Jack Carey, Milly Motter, Mary Alice Spar, Juanita Larimore, Gus Cranston.

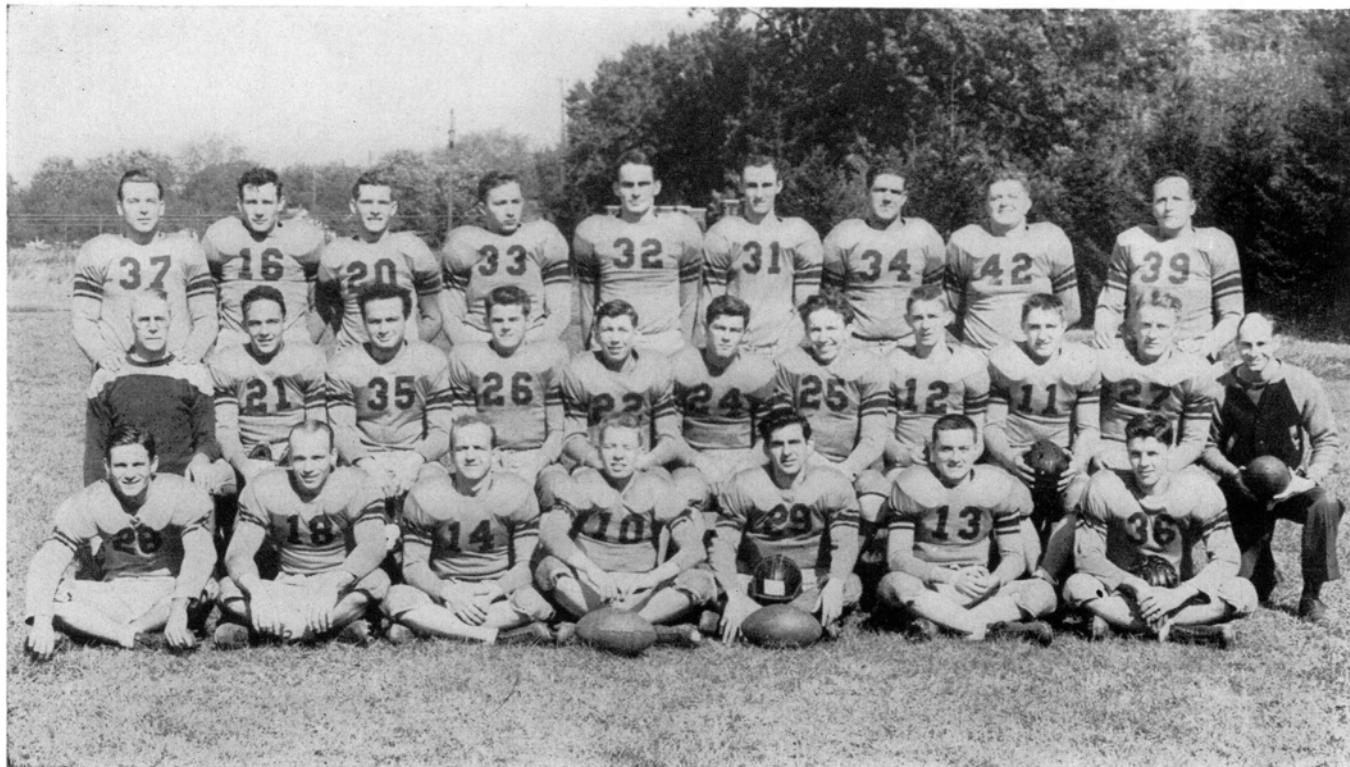

It was somewhat strange to those who had been at Northern during the years when there was very little sports activity here, to hear the sound of hundreds of cheering voices, playing of the pep band, and being lead in cheers by enthusiastic cheerleaders. To these five goes a great deal of credit for renewing the old sports spirit and their loyalty and support was felt by the teams.

SPRING SPORTS

Considerable discussion could be heard around Taft gym after the basketball season was over about track and baseball. Returning veterans interested in these sports are responsible for this and though it is not certain if all plans can be carried out, it certainly sounds good.

Something new in sports at Northern in recent times is golf. Considerable interest and experience in this sport was discovered about the campus and home and home games have been scheduled with Miami and Toledo and also a match with Notre Dame.

FOOTBALL

FIRST ROW, (L. to R.) : W. Bailey, L. Archer, R. Kleinoeder, G. Lamale, H. Peretz, J. Hall.
SECOND ROW: Rev. Moore, Assistant Coach, F. Pedrosa, Wm. Hunter, W. Freeman, W. Arthur,
L. Good, J. Wilson, P. Girton, R. Girton, D. Huey, G. MacDonald, Manager.
THIRD ROW: G. Weller, W. Peterson, N. Blair, G. Schaadt, W. Wright, V. Clevenger, P. Byers,
R. Klingler, J. Zeller.

School opened in September without any thought being given to having football. However, when inventory was taken, it was found that several experienced men had returned to the campus and many freshmen were eager to play the game. Some quick contacts were made with other schools, and abbreviated five game schedule was arranged, and the Polar Bears were once more working out on the gridiron of Ohio Northern.

Northern.....	21	Bluffton (here)	0

A tingle of excitement and anticipation ran through the crowd as the orange of Northern and the black of Bluffton lined up for the kickoff of the first game of football for both schools since the war. After considerable see-sawing back and forth during which both teams were feeling their way, the Polar Bears scored and went on to spoil Bluffton's homecoming celebration by winning the game 21-0.

The following Saturday afternoon at the Northern field the occasion of another homecoming day affair the same two teams fought it out. Both squads showed great improvement which must have been equal for the result was identical.

In the first night game of the season the Polar Bears outlasted a hard fought battle and emerged victorious over a determined, die-hard squad at Rio Grande, by a score of 13-7.

So far Northern was undefeated but the tables turned. After leading a fine Wittenberg team by three points, at the half, the orange and black, faded before a strong second half and tasted its first defeat in the first home night game in the Kenton stadium.

In the last game Northern suffered its worst defeat at the hands of a strong Otterbein squad. However, much experience was gained during this short football season and Northern fans are looking forward to future success on the gridiron for the Northern Bears.

FIRST ROW, (L. to R.) C. Stackhouse, B. Bailey, L. Good, L. Yent, B. Snyder, Manager.
SECOND ROW: Jack Guy, Coach, R. Barret, J. Ridgeway, J. Wilson, G. MacDonald, Manager.

Although the Polar Bears did not win all their games this year, the return of Ohio Northern to Ohio Conference competition after the war lapse was marked by a successful season. The continual return of former Northern greats throughout the year added ability and experience to the team. Under the direction of Coach Guy, who also came to Northern after the season was well underway, the team provided the Polar Bear followers with many of the basketball thrills that were sorely missed during the war.

The games with Ashland were the best from the Northern fan's viewpoint. In the case there, after a hard fought battle during which the score was tied many times, Bill Arthur sank a foul with only a few seconds remaining to give the Polar Bears their first victory. Late in the season Ashland came to Ada bent on revenge. Though they didn't quite make it, once again the fans were treated to a full evening of entertainment as the game went into overtime play. Stackhouse's two baskets during the extra period gave Northern the margin of victory.

The rest of the games were interesting and exciting as well and regardless of the outcome Northern fans and coaches alike were well satisfied with the first post-war year of basketball and are eagerly looking forward to the future success of the Polar Bears in court competition.

GIRLS BASKETBALL CHAMPS

Girls intra-mural activities are in progress throughout the year. However, at various times tournaments are conducted between houses or between sororities and the independents. Champs of the basketball playoffs were the Theta Phi Delta girls. In the volleyball tournament the Phi Chi girls came forth as winners and in a later tournament in volleyball played by classes, the Freshman girls proved their superiority over all upper class competition, winning the finals by a close score over the girls of the Sophomore class.

FIRST ROW, (L. to R.) : V. Clark, B. Watters, J. Simpson, J. Sidey.

M U R A L S

BOYS BASKETBALL CHAMPS

FIRST ROW, (L. to R.) : Charles Keenan, Doc Soash, John Reed, John Booth.

SECOND ROW: Tom Polite, Jesse McLeah, Karl Kohler, Bill Mauk.

Renewal of old time intra-mural competition on the campus brought forth some fine local teams and provided interested fans many thrills. Loyalty groups backed up their favorites with great enthusiasm.

Winner of the basketball intra-murals was one of the several veterans teams which entered the contest. Competition was very keen among these veterans teams and the now numerous fraternities which were active again.

With the coming of Spring interest in softball heightened and every Tuesday and Thursday evening on the athletic fields several games were in progress at the same time in an endeavor to find the king of this sport on the O.N.U. campus.

Your Favorite G I

Is back on the job at The Gray printing Co. The **same** zeal, the same determination and the same ability that carried him to success on the fighting front is imbued in the work he does on your printing requirements.

The fact that we continue to be the largest printers of school **annuals** in the state is proof

positive that our quality, skill and service have always been and continue to be the best. And, in years to come that same workmanship and service will be maintained because our organization is now augmented by the **man who fought for you and us** . . .

. . . YOUR FAVORITE G.I.

ANNUALS THAT WILL LIVE

As an ever constant reminder of happy times —your Annual is always a ready reference. A forgotten name—a forgotten place—those that meant so much when you were in High School or College can be found in your yearbook. Pictures and articles depicting happy

years are all there—in your **favorite Annual**. And, to have had a part in the planning and execution of this fine book makes us proud . . . proud because we know they record events that will continue to convey happy memories through the years.
